## KENDRICK-COLLINS.

### Elopement of a Youthful Couple and Their Marriage in Jeffersonville.

The elopement of Miss Ethel Collins, daughter of Mr. Leslie Collins, and her marriage to Mr. George Kendrick on Tuesday evening in Jeffersonville, occasioned great surprise in the city when the news was first received on Wednesday morning. Miss Collins, who is quite petite, is very young, not over seventeen years of age, and decidedly attractive, both in features and the ingenuous charms of a vivacious girlhood. Though still pursuing her studies at school, she was very popular among the younger set of gentlemen and rarely lacked an escort to carry her books or hold an umbrella over her as she walked to and from the depot to Prof. T. M. Turner's school on the South Side. Mr. Kendrick, who first came here during the Con. Con. as a page, was not slow, even at that period of Miss Collins' age, to evince a marked preference for her company, and after his return with the Legislature in the capacity of bill clerk, to press his suit with the courage and ardor of a man who had thrown the word "fail" out of his vocabulary. Few young ladies could withstand such devotion as Mr. Kendrick displayed, but obdurate parents however are sometimes made of sterner stuff than their lovely daughters. Aware that a parental hand would be interposed to prevent their marriage, not because of any objection to the lover but because it was thought they were too young to enter upon such a step, the couple planned an elopement to Jeffersonville. Miss Collins, who lives a mile from the city, boarded the east bound train as usual on Tuesday morning to come to school, but was transferred to the west bound train on the other side of the bridge where both trains meet, and was in Louisville and over in Jeffersonville and married long before her parents had reason to take alarm at her absence.

After receiving the announcement of the marriage and a plea for par-

don, the parents at once wired the couple to return to the city and all would be forgiven.

Mr. Kendrick is about twenty years of age. He is a native of Washington county, and before his parents settled in Louisville, lived in Mt. Sterling and also Covington. He is the correspondent of the New York World and is a bright and promising young man who has won numerous friends here that wish him and his pretty bride a long and happy future crowned with the richest blessings of life.

### Physicians Puzzled.

Many persons are unable to sleep on their left side. The cause has long been a puzzle to physicians. Metropolitan papers speak with great interest of Dr. Franklin Miles, the eminent Indiana specialist in nervous and heart diseases, who has proven that this habit arises from a diseased heart. He has examined and kept on record thousands of cases. His New Heart Cure, a wonderful remedy, is sold at J. W. Gayle's. Thousands testify to its value as a cure for Heart Diseases. Mrs. Chas. Boney, Loveland, Colo., says its effects on her were marvelous. Elegant book on heart disease free.

## LOUISVILLE TOBACCO MARKET.

FURNISHED BY GLOVER & DURRETT,  
LOUISVILLE TOBACCO WAREHOUSE.

Sales on our market for the week just closed amount to 2,688 hhds., with receipts for the same period of 1,516 hhds. Sales on our market since January 1st amount to 50,649 hhds. Sales of the crop of 1892 on our market to date 55,659 hhds.

The receipts and sales on our market for the past week were somewhat smaller than for sometime past, and prices have been firm with an active demand for everything in good condition; the sweating season is approaching and sellers would do well to be very particular about the condition of their tobacco.

### The Verdict Unanimous.

It pleases the lawyer and his client too, to have the verdict of the jury unanimous. A great jury composed of the American public has rendered an unanimous verdict on Dr. Hale's Household Cough Cure as a medicine, agreeing that its promises of a speedy cure for coughs, colds and bronchial troubles are always carried out to the letter. This pleasant verdict has not been obtained without great pains taken to make it the best cough cure on the market. Try a bottle when you have a cough or cold and you will belong to the "unanimous" ever after. For sale by P. H. CARPENTER, druggist.

### Country Home.

Well here we are still living in our country home, and indeed we are enjoying ourselves as well as ever.

The farmers are delighted to see such beautiful weather.

Mr. Robert Fleming, who has been living on the farm of Mr. Wash Vaughn, moved last Sunday.

We read a few lines in the Tucker Branch news which related that Mr. Earnest Moore had lost his heart.

We would be glad to hear of its whereabouts, but we never heard of anyone losing their heart and we think he must have given it away just for an April fool.

Mrs. Fanny Mitchell was the guest of Mrs. Lucy Mitchell last week.

Mr. Warren Mitchell and wife were the guests of Mr. George Mitchell and family last Saturday.

Miss Nora Sudduth visited Miss Pearl Pulliam last Saturday and Sunday and Miss Pearl returned home with her Monday.

Mrs. Fanny Mitchell, Mrs. Sallie Pulliam, Mrs. James Bryant and Mrs. Debbie A. Quire were the guests of the family of Mr. Thornt Sudduth last week.

Quite a large attendance at Mt. Zion Sunday, and one of the best sermons we have ever heard; and we sorry to say that the preacher was disturbed so by some boys as to have to ask the officers to protect him. We hope this disturbance will not occur again.

Mr. Robert Sudduth is not seen down on Stoney so often now. What is the reason? Why singing is closed of course.

Mr. W. C. Bryant has completed his store and he will keep a large line of groceries and dry goods. Call and see him.

Messrs. Bud Sudduth, Geo. Young, Earnest Moore, Eugene and Duard Bryant and Misses Lilly and Nora Sudduth and Pearl Pulliam took dinner at Mr. Will Sudduth's last Sunday.

Mr. George Mitchell is resting at ease. To think that grass will grow under his trees.

Well we will desist for this time, hoping to hear from Tucker Branch soon.

PINK AND ROSE.

Easy to take—Dr. Price's Pleasant Pellets, smallest, easiest, cheapest, best. They're tiny, sugar-coated, anti-bilious granules, a compound of refined and concentrated vegetable extracts. Without disturbance or trouble, Constipation, Indigestion, Bilious Attacks, Sick and Bilious Headaches, and all derangements of the liver, stomach and bowels, are prevented, relieved and cured. Permanently cured, too. By their mild and natural action, these little Pellets lead the system into natural ways again. Their influence lasts.

Everything catarrhal in its nature, catarrh itself and all the troubles that come from catarrh, are perfectly and permanently cured by Dr. Sage's Catarrh Remedy. No matter how bad your case or of how long standing, you can be cured.

## LeCompte's Bottom.

Rev. P. E. Kavanaugh was in New Castle Monday.

The new Kentucky river packet, "Rescue," will shortly appear in this trade.

Mr. Webb's grist mill is now in running order.

Mrs. T. M. Jessee, of Bagdad, is visiting her brother, R. C. Heatt, here.

Mr. L. T. Heatt, of Bagdad, visited his son here last week.

Miss Patsy Kavanaugh returned from Ghent Wednesday.

Mrs. M. A. Brown, who has been visiting in this neighborhood, left for her home Wednesday.

The warehouse and dwelling house at the mouth of Sand Ripple, owned by Mrs. Mary Jane Johnson, with entire contents of both, were burned to the ground Thursday afternoon.

The Methodists, of Flat Creek Church have had a glorious revival.

We know that many will be grieved to know that Allen Bright is very sick at his home near Pleasureville.

RIP VAN WINKLE.

## Illinois. Kentucky.

From Danville, Ill., Mrs. H. J. Nabors writes: "I have been using your remedies for scrofula and am greatly benefited. My back was almost one solid sore. Two boxes of Dr. Hale's Household Ointment healed it entirely."

From Olive Hill, Ky., Mrs. M. J. Matney writes, May 13, 1892: My daughter has been afflicted with oryaspelas in her eyes from infancy. She is now past 12 years old and one 25c. box has cured her." It costs no more to get the best. Get a box at P. H. CARPENTER'S drug store. 1
